Hi Rob,

I will be out of the office all next week at a conference. I just went through the schedule to see when I may have some free time, but really won't have much....I'm either presenting at or moderating 5 sessions during the 3.5 days I will be there, so can't really step out for a call during those times. To further complicate matters, it's in the Pacific time zone, so I will be 3 hours earlier than you.

So, if conference calls can wait until the week of December 3rd, that might be best. I will always have my cell phone with me in case something urgent comes up, and I will check my emails regularly. If we really need to talk, I could be available:

Monday -- 1:30 to 5:30 (4:30 to 8:30 ET)
Wednesday -- 3:30 to 5:30 (6:30 to 8:30 ET)
Thursday -- probably after 1:30 (4:30 to 8:30 ET)
Friday -- my flight leaves at 2:45 ET, so I should be available before that.

I realize these are really inconvenient times.

I'll be in the office until about noon today, if you want to talk. I will be sending you the additional sampling locations shortly.

If I don't speak to you, have a Happy Thanksgiving!

Thanks,
Stephanie

p.s. Attached is the RM 10.9 presentation I'm giving at the conference. I had said I would send this to you, but never did.

Would you and Ray be able to meet with Mike and I next Tuesday afternoon?

Have a Happy Thanksgiving
